

Sopra Steria positioned as a leader in the 2022 SPARK Matrix for Intelligent Process Automation (IPA) Solutions and Services by Quadrant Knowledge Solutions

Paris, March 22, 2023 – Sopra Steria, a European Tech leader in consulting, digital services and software development, today announces that it has been positioned "Leader" in the SPARK Matrix for Intelligent Process Automation (IPA) Solutions and Services 2022 by Quadrant Knowledge Solutions.

The Quadrant Knowledge Solutions SPARK Matrix™ provides a detailed analysis of global market dynamics and major trends to evaluate different provider capabilities, competitive differentiation, and positioning.

Sopra Steria, with its IPA solutions and services, offers both technology platforms and services, like maintenance, consulting, and implementation of the full solution in company ecosystems. The report especially highlights that:

- Sopra Steria offers IPA solutions, which includes process mining, Business Process Management (BPM), Robotic Process Automation (RPA), Artificial Intelligence (AI), Machine Learning (ML), Natural Language Processing (NLP), chatbots, and document extraction. The Group has developed proprietary solutions that cover the domains of Intelligent Document Processing (IDP), the Data Science pipeline, and conversational AI (Alive).
- Sopra Steria has extensive libraries of reusable components and several deployment accelerators listed on the partner marketplace. Additionally, these reusable components are offered as a service on their dedicated cloud platform, the Trusted Digital Platform (TDP).

"Our customers are facing unprecedented change and they expect us to help them reduce their operational costs and take full advantage of leading-edge technologies. It is important to first define their business ambitions in terms of revenues, costs and risks; then structure, optimise, and revise processes; and finally assemble technologies to achieve automation. We are proud to be recognised by Quadrant Solution Knowledge as a market leader in Intelligence Process Automation solutions and services. This reinforces our position as a major player in our customers' digital transformation!" **added Patrick Meyer, Group IPA Specialist at Sopra Steria.**

"Sopra Steria, with its comprehensive capabilities, compelling customer references, comprehensive roadmap and vision, has received strong ratings for service excellence and customer impact and has been positioned as a leader in SPARK Matrix: Intelligent Process Automation (IPA) Solutions and Services, 2022." **stated Pranjal Singh, Analyst, Quadrant Knowledge Solutions.**
